You

Stepped out of a dream,

You are too wonderful

To be what you seem.

Could there be eyes like yours?

Could there be lips like yours?

Could there be smiles like yours,

Honest and truly?

You

Stepped out of a cloud,

I want to take you away

Away from the crowd,

And have you all to myself,

Alone and apart.

Out of a dream

Safe into my heart.

~interlude~

You

Stepped out of a cloud,

I want to take you away

Away from the crowd,

And have you all to myself,

Alone and apart.

Out of a dream,

Safe into my heart...

Wa-dee-la-la

Out of a dream!
