You're my everything
Underneath the sun
You're my everything
Rolled up into one

You're my only dream
My only real reality
You're my idea
Of a perfect personality

You're my everything
Everything I need
You're the song I sing
And the book I read

You're a way beyond belief
And just to make it brief
You're my winter, summer, spring
My everything

You're my everything
Everything I need
You're the song I sing
And the book I read

You're a way beyond belief
And just to make it brief
You're my winter, summer, spring
My everything
