2, 3, 4

to tell you the truth  
i'm very confused  
i'm not amused  
i'm just curious

with all your lies  
your left behind  
what did you find  
i'm so curious

i'm so curious  
of how you see me  
curious  
of what went through you head

curious  
of how you see me  
curious  
of what went through you head

will i ever know  
will i ever know  
i'm confused, puzzled and in a daze  
and i know you wouldn't  
treat me that way  
and i got you on my mind, everyday  
and i know you wouldn't  
treat me that way

what made you realise  
it came such a surprise  
you've gotta run and hide i'm curious

forgive and forget  
thats what you said  
you lost your head  
i'm so curious

i'm so curious

of how you see me  
curious  
of what went through your head

i'm just curious  
of how you see me  
curious  
of what went through your head

will i ever know  
will i ever know  
i'm confused, puzzled and in a daze  
and i know you wouldn't  
treat me that way  
and i got you on my mind, everyday  
and i know you wouldn't  
treat me that way

tell me what you didn't mention  
grabbed his wish  
and no more tension

i'm confused, puzzled and in a daze  
and i know you wouldn't  
treat me that way  
and i got you on my mind, everyday  
and i'm confused puzzled and in a daze  
and i know you wouldn't  
treat me that way  
and i got you on my mind, everyday  
and i know you wouldn't  
treat me that way
