Don't wanna go to
School [X7]
I don't want to go to school
Yes it's true.
I don't want to see a teachers
Face again.
I don't want to go to school
Every morning.
I don't want to go to school.

School [X4]
I don't want to go to school. [X3]
Don't want to go to school school
And thats for sure.
Don't take me in the morning or
I'll cry some more.
And I'm really tired of being treated
Like a fool.
I don't want to go to school.

You can't deny me of my [X3]
Of my freedom.

You can't deny me of my [X3]
Of my summer.

I don't want to go to school.

And you give us so much work
I go crazy.
Try to rest my head and you call me lazy.
I look around and all I see
Is depretion.

And i'll tell you teachers
I've got a confetion.
All those those kids wan't to do
Is have some fun.
But the work
The work
The work is never done.

You always tell me to stop
To stop comin' around
I can't even make
Make make no sound
I can't make no sound

I don't want to go to school
School [X4]
I don't want to go to school
School [X3]
I don't want to go to school
School [X4]

I don't want
I don't want
I don't want to go to school

I don't want
I don't want
I don't want to go to school

I don't want
I don't want
I don't want to go to school

I don't want to go to school

No I don't
