Something tells me I'm not getting under,
As time goes by like the wind.
Cause in my chest my heart is beading faster,
As I wonder where and when.
Will she come catch my eye,
Step in to my life.
I don't know how it will be,
But here's my word tonight.

(Chorus)

I will love you more,
Than the ocean loves rain.
I will be your strength,
Even in the pain.
And our love will grow,
Every morning, night, and noon.
Oh, but until then,
I'll wait for some day soon.

There's a lot things I want to tell you,
About the future that's in store.
For raising a family,
Where we'll pass our love to.
A new life an open door.
But I know that there will come a day,
When nothing's going right.
And I'll take your hand in mine,
And walk you through the night.

(Chorus x1)

Will she come take my breath,
And knock me off my feet.
As worlds collide,
And souls inside finally meet.

I will love you more,
Than the ocean loves rain.
I will be your strength,
Even in the pain.

(Chorus x1)
