Black is the night, metal we fight  
Power amps set to explode.  
Energy screams, magic and dreams  
Satan records the first note.  
We chime the bell, chaos and hell  
Metal for maniacs pure.  
Faster than steel, fortune on wheels  
Brain haemorrhage is the cure.

For BLACK METAL  
lay down your souls to the gods rock 'n roll

Freaking so wild, nobodys mild  
Giving it all that you got.  
Wild is so right, metal tonight  
Faster than over the top.  
Open the door, enter hell's core  
Black is the code for tonight.  
Atomic force, feel no remorse  
Crank up the amps now its night

BLACK METAL (x5)

lay down your souls to the gods rock 'n roll  
metal ten fold through the deadly black hole  
riding hell's stallions bareback and free  
taking our chances with raw energy

Come ride the night with us  
Rock hard and fight  
United my legions we stand  
Freak hard and wild for us  
Give up your soul  
Live for the quest satan's band

Against the odds, black metal gods  
Fight to achieve our goal  
Casting a spell, leather and hell  
Black metal gods rock 'n roll  
Building up steam, nuclear screams  
War-heads are ready to fight  
Black leather hounds, faster than sound

Metal our purpose in life

fuck everything  
that FUCKING LIVES  
BLACK METAL

lay down your souls to the gods rock 'n roll

BLACK METAL
