li:1/2m chaos international
The writing on the wall
A Lazarus in parable

A dark and sullen lullaby
Whispered softly as you die
Promising torments are nigh

Danger warning levels hissed out loud
I saw the silver lining hidden in a mushroom cloud
Now li:1/2m reeling from the shock at ground zero

If yesterday you would have stood up proud
Then why tonight have you thrown in with the stoning
crowd?
li:1/2ll breathe through the foetus of a new day kicking...

The foetus of a new day kicking

Iti:1/2s true that Jesus cannot save
li:1/2m rising from the grave
To put my double cross to shame

A poison rush, a heart attack
A white assassin painted black
Youi:1/2ll fear this reaper coming back

Danger warning levels hissed out loud
I saw the silver lining hidden in a mushroom cloud
Now li:1/2m reeling from the shock at ground zero

If yesterday you would have stood up proud
Then why tonight have you thrown in with the stoning
crowd?
li:1/2ll breathe through the foetus of a new day kicking...

On a night like this
You laid the serpenti:1/2s kiss
In this garden of Gethsemane
You played the traitor well...

In a dawn to come
I will blind the sun
To grant you pardon as my enemy

Before damning you to hell...
