Lead to the river
Midsummer, I waved
A "V" of black swans
On with hope to the grave
And though Red September
With skies fire-paved
I begged you appear
Like a thorn for the holy ones

Cold was my soul
Untold was the pain
I faced when you left me
A rose in the rain...
So I swore to the razor
That never, enchained
Would your dark nails of faith
Be pushed through my veins again

Bared on your tomb
I'm a prayer for your loneliness
And would you ever soon
Come above onto me?
For once upon a time
From the binds of your lowliness
I could always find the right slot for your sacred key

Six feet deep is the incision
In my heart, that barless prison
Discolours all with tunnel vision

Sunsetter...
Nymphetamine

Sick and weak from my condition
This lust, this vampyric addiction
To Her alone in full submission

None better...
Nymphetamine

Nymphetamine, Nymphetamine...
Nymphetamine girl.

Nymphetamine, Nymphetamine...
My Nymphetamine girl.

Wicked with your charm
I'm circled like prey
Back in the forest
Were whispers persuade
More sugar trails
More white lady laid
Than pillars of salt...
(Keeping Sodom at at bay)

Fold to my arms
Hold their mesmeric sway
And dance her to the moon
As we did in those golden days

Glistening stars
I remember the way
We were needle and spoon
Mislaid in the burning hay

Bared on your tomb
I'm a prayer for your loneliness
And would you ever soon
Come above onto me?
For once upon a time
From the bind of your holiness
I could always find the right slot for your sacred key

Six feet deep is the incision
In my heart, that barless prison
Discoulours all with tunnel vision

Sunsetter...
Nymphetamine

Sick and weak from my condition
This lust, this vampyric addiction
To Her alone in full submission

None better...
Nymphetamine

Sunsetter
Nymphetamine

None better...
Nymphetamine

Nymphetamine, Nymphetamine...
Nymphetamine girl.

Nymphetamine, Nymphetamine...
My Nymphetamine girl.
