[Verse 1]

If this world is wearing thin  
And you're thinking of escape  
I'll go anywhere with you  
Just wrap me up in chains  
But if you try to go alone  
Don't think I'll understand

[Bridge]

Stay with me  
Stay with me

[Verse 2]

In the silence of your room  
In the darkness of your dreams  
You must only think of me  
There can be no in between  
When your pride is on the floor  
I'll make you beg for more

[Bridge]

Stay with me  
Stay with me

[Chorus]

You'd better hope and pray  
That you make it safe  
Back to your own world

You'd better hope and pray  
That you'll wake one day  
In your own world

Cause when you sleep at night  
They don't hear your cries  
In your own world  
Only time will tell  
If you can break the spell  
Back in your own world

[Bridge]

Stay with me

Stay with me  
Stay, stay with me  
Stay, stay with me

[Chorus]

You'd better hope and pray  
That you make it safe  
Back to your own world

You'd better hope and pray  
That you'll wake one day  
In your own world

Cause when you sleep at night  
They don't hear your cries  
In your own world

Only time will tell  
If you can break the spell  
Back in your own world

[Bridge]

Stay with me  
Stay with me  
Stay, stay with me  
Stay, stay with me

[Bridge]

(Stay with me), Stay  
Stay with me, (Stay with me)  
I said stay with me

(Stay with me), Stay with me
