I've never been closer
I've tried to understand
That certain feeling
Called by another sound

But it's too late to hesitate
We can't keep on living like this

Leave no track
Don't look back

All I desire
(Temptation)
Keep climbing higher and higher
(Temptation)

Adorable creatures
(Temptation)
(With unacceptable features
(Temptation)

And trouble is coming
(Temptation)
It's just the high course of lovin'
(Temptation)

And you can take it or leave it
(Temptation)
But you better believe it

You've got to make me an offer
That cannot be ignored
So let's head for home now
Everything I have is yours

Step by step and day by day
Every second counts, I can't break away

Leave no trace
Hide your face
All I desire
(Temptation)

Keep climbing higher and higher
(Temptation)

And you can take it or leave it
(Temptation)
But you better believe it
(Yeah)

Step by step and day by day
Every second counts, I can't break away
(Keep us from temptation, keep us from temptation)
(Keep us from temptation, lead us right into
temptation)

Trying to find it
(Temptation)
You got to get up behind it
(Temptation)

But you've turned into heart slots
(Temptation)
But it's a million to one shots
(Temptation)

That fit you right now
(Temptation)
You got to fake it tonight now
(Temptation)

But don't give me a breakdown
(Temptation)
Because it's time for a shakedown
(Temptation)

Temptation, temptation
Temptation, temptation
Temptation, temptation
