Thee I invoke, born-less one, all woman, pure predator
Wherein conspiracy and impulse dwell
Like a seething fall from grace
Thee, I worship

Thou art darkest Gabrielle
Lilith who rode the steed
Thou art pale Hecate
Rising from Thessaly

Crush their unworthy idols
No church shall bar our path
Seductive evil, drink your fill
Of the bleeding Christ in your arms

You are in my dreams
The darkness in my eyes
The rapture in my screams
Black goddess

Nothing will keep us apart
We could kill them all
If desire tore free
Our union is one, sweet, sinful eve

And the night draws in beside her
As we embrace the dark side by side
I pour my soul to those eyes full of fire
To harvest the seed plowed inside her

Archangel, snare the flesh
Suck dry the ebbing wound
Leave them lifeless and broken
My beloved

Oh, how I have craved for you
You so pure and otherworldly with your scent of winter
Am I to bleed myself dry
To see your delight?

And the fear retreats forever
(Come to me, come to me, come to me, black goddess

arise)
When my secrets are buried in thine
(Come to me, come to me, come to me, black goddess
arise)

Under seven stars we came together
(Come to me, come to me, come to me, black goddess
arise)
To plot the new age's decline
(Come to me, come to me, arise)

Ishtar, my Queen
Come forth to me
And help me seize
My future from the house of death

That in the release of immortality
I should slay their fucking Nazarene
Ah, the lies, the Jew
I kill for you

You are in my dreams
The darkness in my eyes
The rapture in my screams
Black goddess

Hidden lusts will break the gates and swarm
As love secretes the thrill for war
The virgin raped shall seek to whore
She-wolf bare your snarling jaw

Angel, angel

Thee, I invoke, born-less one
All woman, pure predator
Wherein conspiracy and impulse dwell
Don't ring my bell

Thou art darkest Gabrielle
Lilith who rode the steed
Thou art pale Hecate
Rising from Thessaly
