I am not a saint, I didn't say it
I am not the perfect one, I know

I'm just a woman and I am human
Sometimes too fragile for this world

Chorus

Can you promise me
That you'll stay with me
Every time I'm falling down, down
That you'll hold my hand
Baby, till the end
I will be your only one

I am not afraid to feel betrayed
But I'm afraid to lose your love, yeah
'Cause you're my kingdom
My endless freedom
And I confess my deepest love, yeah

Chorus

Your only one

Chorus

I am not a saint, No, I didn't say it
I am not the perfect one, I know
