written and composed by Ben Kohn Tom Barnes Gavin
Jones
Peter Kelleher T. Jay

See I know it's been a while
Since I've been feelin' dry
I can tell that you're no good for me
But I've still made up my mind

See, you can tell me what you want
But I ain't going back this time
You could say it's time I even the score
With you all the rules don't apply

Just don't keep asking why
'Cause I ain't got the time
even when I see you walking by
Now, baby, that's just fine
'Cause now my tears have dried up
I know that I'm addicted
But it's still been 17 days

Check this out

You've been lying for such a long time
I couldn't make this up, oh no
Dirty clothes and fancy things
You knew I'd find out soon enough, ay

I know that you're not good for me
And if you stay gonna end up inside
You told me: "Watch my back, now that we're done"
But I know you're not that kind

Just don't keep asking why
'Cause I ain't got the time
even when I see you walking by (walking by)
Now, baby, that's just fine
'Cause now my tears have dried up
I know that I'm addicted
But it's still been 17 days

That you've been off my mind
I don't miss your broken smile (broken smile)
And all your funny ways
I left them all behind
But I know that I'm addicted
But it's still been 17 days

I guess it's nothing new
It's just men trouble

And so the story goes
On and on
On and on
And so I have to say
Please

No no no no
Please

(Still been 17 days)

Just don't keep asking why
'Cause I ain't got the time
even when I see you walking by
Now, baby, that's just fine
'Cause now my tears have dried up
I know that I'm addicted
But it's still been 17 days
