Promise me you'll never change
Things will always be the same, the same
Won't be out of love again
I'm in your hands

All that I am
All I'll ever be
I kissed goodbye
When you said: "Kiss me."

All that I am
All I'll ever be
I left behind
When you said: "Leave with me."

All that I am
All that I
All that I
All that I am

Suddenly I'm whole again
A brand new me but this old world's the same
You're my sun and your my rain
You're all I am

All that I am
All I'll ever be
I kissed goodbye
When you said: "Kiss me."

All that I am
All I'll ever be
I left behind
When you said: "Leave with me."

All that I am
All that I
All that I
All that I am

All the way you bring me back to life
Wouldn't trade it for the world I left behind
There's nothing I won't sacrifice
You're all that I am tonight

All that I
All that I
All that I am

All that I
All that I
All that I am

All that I
All that I
All that I am

All that I
All that I
All that I am

All that I am
All I'll ever be
I kissed goodbye
When you said: "Kiss me."

All that I am
All I'll ever be
I left behind
When you said: "Leave with me."
