There is something
I wanna ask you
There is something
That I want to know
And to this question
You have the answer
So tell me
What I want to know

Do you wanna funk?
Won?t you tell me now?
If you wanna funk
Let me show you how
Do you wanna funk with me?
Do you wanna funk with me?

So if I tell you
That you?re really something, baby
Will you stay
Or will you go away
And when I lay my
Good lovin? on ya
What will it cost me, baby
What will you make me pay

Do you wanna funk?
Won?t you tell me now?
If you wanna funk
Let me show you how
Do you wanna funk with me?
Do you wanna funk with me?

Yeah let me show ya how yeah
(Get down on the floor)
Like this!
(Get down on the floor)

Do you wanna funk?
Won?t you tell me now?
If you wanna funk
Let me show you how

Do you wanna funk with me?
Do you wanna funk with me?
