Ooh

No, she's not miss Universe
Or some plastic beauty queen
She's not the girl with the perfect look
On the cover of a magazine

Maybe on your way to work
You might meet her every day
Next time take a closer look
She's really special in a way

Chorus:
She's got a heart of gold
So warm and tender
She wants to love a man
More than for ever
No, she will never let you down
'Cause she's got a heart of gold

Ooh

She's not the model of the year, no
She never wears a fancy dress
She's just a simple girl next door
Always trying her very best

Chorus

Sometimes she goes out at night
Looking for this special man
All she wants is honesty
Take me just the way I am!

Chorus

She wants to love a man
More than for ever
No, she will never let you down
'Cause she's got a heart of gold

Oooh
