What you're waiting for?
Go on and make your move baby
You got me wanting more, but I'm
not gonna fall for you though you're such a
heartbreaker, breath taker
when you hold me in your arms
you're a heartbreaker, love faker
and I see right through your charms

So tonight, I'm saying goodbye
Just kiss me once before I walk away
Yeah tonight, enough of your lies
I'm gonna save my love for
someone who will treat me right

So go on and cross me off your list
won't let you mess me up baby
How could I resist?
Well I'm
not gonna join the club, though you're such a

heartbreaker, earth shaker
when you put the moves on me
oh you're a heartbreaker, love faker
but I'm not that easy

So tonight, I'm saying goodbye
Just kiss me once before I walk away
Yeah tonight, enough of your lies
I'm gonna save my love for
someone who will treat me right

Tonight, I'm saying goodbye
Just kiss me once before I walk away
Yeah tonight, enough of your lies
I'm gonna save my love for
someone who will treat me right

who will treat me, like it should be?
(someone who will treat me right)
(Heartbreaker, earth shaker)

I feel you wantig me
though you're a (heartbreaker, love faker)
But I'm not that easy
no no no

So baby tonight, I'm saying goodbye
Just kiss me once before I walk away
Yeah tonight, enough of your lies
I'm gonna safe my love for
someone who will treat me right

Tonight, I'm saying goodbye
Just kiss me once before I walk away
Yeah tonight, enough of your lies
I'm gonna safe my love for
someone who will treat me right
