I know that you want me to dream  
And I don't mind dreaming but if  
It's all a waste  
Your heart won't breath  
I choose to stay awake  
And make a mess  
It's my blank confession the sun in my will die  
If you bottom out  
So our smiles don't stigger out

I'll be here  
If you want me  
I'll be here  
If you need me  
I'll be  
Hanging on a cloud of open invitation  
Holdin' on to that keepin' you  
Here

Sounds a like a roof came down on you  
Left windows nagging at you  
We're wedged between getting away  
And feeling slapped and blue  
Well, here's a song  
That will never be too far my love  
protest of how I care  
So while you feel that you're caught there

I'll be here  
If you want me  
I'll be here  
If you need me  
I'll be  
Hanging on a cloud of open invitation  
Holdin' on to that keepin' you  
Here  
I'll be here

Ooh I'll be here

I know that you want me to dream

and I don't mind dreaming but if  
It's all a waste  
Your won't breath  
And I choose to stay awake

I'll be here  
If you want me  
I'll be here  
If you need me  
I'll be here  
If you want me (ooh)  
I'll be here  
ooh if you need me  
I'll be here  
I'll be here  
Aaah I'll be with you  
I'll be here
