Hey watcha doing to me boy  
You got a lot of nerve acting like that  
You ain't no friend of mine  
I'm not your concubine  
I'll find someone who'll treat me right

So don't you waste my precious time  
By trying to run and hide  
Haven't I been good to you  
And as a matter of fact  
I know just where you're at  
You're out lying cheating sneaking all night  
I ain't gonna take it no more

Never never  
Never till the day I die  
I ain't gonna take it no more  
Never never  
Never till I die

What do I look like?  
You think you're Mr. Right  
Took everything but my pride  
You know you had me under lock and key  
Until the day I found you cheating on me

You better know what you're doing boy  
You ain't gonna walk all over me like that  
Cause I told you time and time and time again  
Can't keep me hangin' like that  
No no no no

Never never  
Never till the day I die  
I ain't gonna take it no more  
Never never  
Never till I die

No no never  
You ain't gonna treat me like that no more  
I ain't gonna take it no more

You ain?t gonna cheat on me  
I ain?t gonna have it no more  
Don?t waste you time on me no more
