Wide-eyed maybe that's true
But most of the time I can see through you
You say I'm too sweet for my own good
But when your anger let you down, I understood

You're burning up from inside out, while you're writing
your life down
There are things that you can't see, and one of them is
me...

Chorus:
You've been walking in a paper rain
There's a storm inside your head, on this perfect day
Come down from your cloud and walk my way
And let the paper rain
Blow away

Tell me, what should I do?
When you want to paint the day, every shade of blue
Is it, too late for us to shine
Can you crawl into the light and, just be mine?

Your world of words is so unreal, sometimes I wonder if
you feel,
The same emotions that I do, when I'm close to you...

CHORUS

Do you wonder what would happen if you let me in?
Are you afraid to give yourself away?
Will the thunder disappear and the night come
crashing in
To the light of day

You've been walking in a paper rain
There's a storm inside your head on this perfect day
Come out from your cloud and walk my way
Let the paper rain...

CHORUS(2X)
