My honesty, integrity
They mean, the world to me
Your all about, insecurity
Fake ass lies, and stupidity

Well I'm glad I am rid of you
Well I'm glad I am rid of you, yeah
Well I'm glad I am rid of you, no more
No more tears no, and no more blues.

I let you walk all over me, yeah
I was so blind I didn't see,
The big coward, you turned out to be
I'm so ashamed of myself you see, yeah

Well I'm glad I am rid of you
Well I'm glad I am rid of you, yeah
Glad I am rid of you, yes I am
No more tears no, and no more blues.

Me and my friends we live by simple rules,
Do by others what you want done by you
So I guess you got it coming boy,
It won't be long no, before you hit the wall, hey

Well I'm glad I am rid of you, yeah
Well I'm glad I am rid of you, yeah, yeah
Well I'm glad I am rid of you, all my life
No more tears no, and no more blues.

There's no way I will be there,
To pick up the pieces, no
Of the saddest, fuck up of all
You're on your own, you're on your own.

Glad I am rid of you, yes I am
I'm glad I am rid of you, yeah
Glad I am rid of you, all my life
No more tears no, no more blues.

Glad I am rid of you, yeah

Well I'm glad I am rid of you, yeah
Well I'm finally rid of you
No more tears no, and no more blues.

(No way I'm in pieces over you
No way I'm in pieces over you)

Well I'm glad I am rid of you
So glad I am rid of you, yeah
I'm finally rid of you, all my life
No more tears no, and no more bluuueees, yeah!
