written and composed by Natalia Druyts/Greg Fitzgerald

I'm standing here in front of all  
Thousands of people  
But, oh, it's just me and you  
I really never thought you'd go  
But I still call you when I fall  
Yeah, I still call

And I miss the way you held me  
And squeezed me in your arms  
I miss our conversations  
Strongly, yet so calm  
And oohooohoh  
I miss you now

And I still raise my voice and sing out loud  
'Cause I know that you can hear me  
I still lift my head up to the sky  
'Cause I know that you can see me  
You're, still, with me

My words can never tell enough  
Of how your joy could rise above  
Wild and free  
You bring back all the strength in me  
When I'm lost in my uncertainty  
Oh, be next to me

I know you're praying for me  
I see the candle flame  
You say: "Don't worry 'bout tomorrow  
Embrace the gift of today"  
And oohooohoh  
This is your way

And I still raise my voice and sing out loud  
'Cause I know that you can hear me  
I still lift my head up to the sky  
'Cause I know that you can see me

You're, still with me

You're the liquid in the rain  
Washing worries away  
You're the whisper in the wind  
Speaking words of wisdom  
You're my eternal friend

Oohooohoh  
I still lift my head up to the sky  
'Cause I know that you can see me

And I still raise my voice and sing out loud  
(I sing out loud)  
'Cause I know that you can hear me  
(You can hear)  
I still lift my head, up to the sky  
(Up to the sky)  
'Cause I know (I know) that you can see me  
You're, still, with me

I'm standing here in front of you
