I see my picture on you?re wall  
You said you?d taken it down

Is that my number on speed dial?  
Guess it?s taking you awhile

You go around like we?re done  
But we?ve only begun  
Tell the truth to yourself  
You might as well

If it?s too late  
Why are we talking on the telephone?  
If it?s too late  
Why do I always get to take you home?  
If it?s too late  
If we are over  
Should be colder  
You?re not walking away  
Why do you stay

Is that the way you say goodbye  
You should try a little harder

Cause you?re drivin me insane  
Your convictions always change

You go around  
Like we?re done  
But we?ve only begun  
Tell the truth to yourself  
You might as well

Stop pretending we?re breaking up  
We should be trying to make it up  
Don?t you know what you mean to me  
Don?t play me too much  
Enough is enough

It?s too late ? too late
