He's pulling in the driveway  
I'm so glad my man is home  
It's early in the morning  
That's okay, 'cause I know  
I hug him as he tells me  
Girl I'm sorry that I'm late  
I can see that you've been busy  
but baby that's okay

'Cause what kind of girl would I be  
If I didn't believe what you said?  
What kind of girl would you see  
If I didn't stay right by my man?  
What in this world, would I do  
If I found out you was untrue?  
I'd say thank you, thank you  
for making me a wise girl

I called at your office  
but they said you never came in  
didn't think much about it  
till they said you're home and sick  
Well it ain't the first time  
but it's gonna be the last  
I don't care what you're saying now  
I've packed your bags  
guess your out

'Cause what kind of girl would I be  
If I didn't believe what you said?  
What kind of girl would you see  
If I didn't stay right by my man?  
What in this world, would I do  
If I found out you was untrue?  
I'd say thank you, thank you  
for making me

I tried and I tried but I couldn't put doubt out of my

mind  
I'm learning from my mistakes, you'll be wiser next  
time  
'cause you really know you do  
I'll let karma deal with you  
'cause I won't be broken  
I grow stronger each minute you're gone

'Cause what kind of girl would I be  
If I didn't believe what you said?  
What kind of girl would you see  
If I didn't stay right by my man?  
What in this world, would I do  
If I found out you was untrue?  
I'd say thank you, thank you  
for making me a wise girl

oooh  
'cause of you

You make me wiser  
You make me so wise (wiser)  
You've got nothing to say...
