Hmmmm...

Sometimes I try to count the ways
and reasons that i love you
but i can never seem to count that far
i love you in million ways
and for a million reasons
but more than this i love you as you are
more than this i love you just as you are

You are my inspiration, you are the song I sing
you are what makes me happy
you are my everything

You are my daily sunshine
You are my evening star
Everything I'd ever want from me is what you are
Everything I'll ever want or need that's what you are

You are my thoughts when I'm awake
and my dreams when I'm asleep
You are the reason for my smile
you are the words I speak

Every rol I play in live, you play the leading part
Everything I'd ever want or need is what you are
The only one I ever want from me that's what you are

You are my inspiration
you are the song I sing
You are what makes me happy
You are my everything

You are my daily sunshine
you are my evening star
everything I'd ever want from me that's what you are
The only one I ever want or need that's what you are

You are my inspiration
You are the song I sing
everything I'd ever want ore need is what you are

You are my dialy sunshine
You are my evening star
Everything I'd ever want or need is what you are
The only one I'd ever want from me is what you are

Ooooooh...

I love you

Ooooh...

I love you just like you are

Everything i'd ever want or need that's what you are
