(feat. Shannon Noll)

In this proud land we grew up strong
We were wanted all along
I was taught to fight, taught to win
I never thought I could fail

No fight left or so it seems
I am a man whose dreams have all deserted
Iâ€™ve changed my face, Iâ€™ve changed my name
But no-one wants you when you lose

Donâ€™t give up
â€™Cause you have friends
Donâ€™t give up
Youâ€™re not beaten yet
Donâ€™t give up
I know you can make it good

Though I saw it all around
Never thought that I could be affected
Thought that weâ€™d be last to go
It is so strange the way things turn

Drove the night toward my home
The place that I was born, on the lakeside
As daylight broke, I saw the earth
The trees had burned down to the ground

Donâ€™t give up
You still have us
Donâ€™t give up
We donâ€™t need much of anything
Donâ€™t give up
â€™Cause somewhere thereâ€™s a place
Where we belong

Rest your head
You worry too much
Itâ€™s going to be alright
When times get rough
You can fall back on us

Don't give up
Please don't give up

Got to walk out of here
I can't take any more
Going to stand on that bridge
Keep my eyes down below
Whatever may come
And whatever may go
That river's flowing
That river's flowing

Moved on to another town
Tried hard to settle down
For every job, so many men
So many men no-one needs

Don't give up
You still have us
Don't give up now
We're proud of who you are
Don't give up
You know its never been easy
Don't give up
'Cause I believe there's a place
There's a place where we belong
