"Superhuman"

Never thought this would happen to me
I turn around, never thought I could feel so good

I feel like a butterfly, it's beautiful, my state of mind
I never thought I could replace the smile that left, but
it's back again
I, I, hope that it stays a while
The strange emotion is incredible, logical, but totally
wonderful, I

I feel superhuman, I'm in an illusion
I've only got you to thank for bringing back what I lost,
baby inside

I'm alive, I'm alive, I'm alive, I'm alive

The weather changed, can't see no rain, I u-turned, I'm
back again
I've never been so into something, no, no
I, I, hope that you know that you make me feel so
incredible, physical, totally wonderful,
I, I

I feel superhuman, I'm in an illusion
I've only got you to thank for bringing back what I lost,
baby inside
I feel superhuman, I'm in an illusion, right out in the
open
To find out all the fears I had, I'm bringing back what I
lost baby inside

I'm alive, I'm alive, I'm alive, I'm alive

You're good for me, you turned around
You pulled me back, to solid ground

I feel superhuman, I'm in an illusion
I've only got you to thank for bringing back what I lost,
baby inside

I feel superhuman, I'm in an illusion
I've only got you to thank for bringing back what I lost,
baby inside
I feel superhuman, I'm in an illusion, right out in the
open
To find out all the fears I had, I'm bringing back what I
lost baby inside

I'm alive, I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive, I'm alive
