Blow daddy, oh, yeah

Here we are, standing at the hard line
We made it last this long
The two of us, together since the first time
And I believe our love is still strong

Seems love has a funny way
Well, it can come or go or it can choose to stay
But love says what it has to say

Matter of fact
(Ooh, as a matter of fact)
I love you
(Oh, as a matter of fact)
And I love that you love me back
As a matter of fact
(Ooh, as a matter, a matter)

Some said we wouldn't make it this far
But they don't talk no more
(No more)
The love we share is precious as a big star
And what we have's what others hope for

Seems love has a funny way
Well, it can come or go or it can choose to stay
But love says what it has to say

Matter of fact
(Ooh, as a matter of fact)
I need you
(Oh, as a matter of fact)
And I'm glad that you need me back
As a matter of fact
(Ooh, as a matter, a matter)

Mm, matter of fact, yeah
(Ooh as a matter of fact)
I want you
(Yeah, as a matter of fact)

And I can't tell you more than that
As a matter of fact
(Ooh, as a matter, matter)
Aw, blow, daddy

Yeah, yeah, yeah, seems love has a funny way
Well, it can come and go or it can choose to stay
But love says what it has to say

Matter of fact
(Ooh, as a matter of fact)
I love you
(Oh, as a matter of fact)

Yeah, and I love that you love me back
As a matter of fact
(Ooh, as a matter of fact)
Ooh, ooh, baby

Matter of fact
(Ooh, as a matter of fact)
I need you
(Yeah, as a matter of fact)
And I'm glad that you need me right back
As a matter of fact
(Ooh, as a matter, a matter)

Ooh baby
(Ooh, as a matter of fact)
Loving you baby
(Oh, as a matter of fact)
And I love that you love me back
As a matter of fact
(Ooh, as a matter, matter)

Matter of fact
(Ooh, as a matter of fact)
Ooh, matter of fact
(Yeah, as a matter of fact)
