By Victor Abrams

He stays out every night

And leaves me all alone

He never tells me where he goes

I'm not the only lonely one

Just ask a woman who knows

We used to share our troubles

And the good times too

Now I'm left with all the woes

I'm not the only sorry one

Just ask a woman who knows

The days are long

Oh, but the nights are longer

I got the lonest blues

You know my only consolation

Is I ain't got nothing more to lose

So there you have the story

Of a love gone wrong

That used to blossom like a rose

Oh, I'm not the only broken heart

Just ask a woman who knows

(Musical Interlude)

Well my only consolation

Is that I got nothing more to lose

So there you have the story

Of a love gone wrong

That used to blossom like a rose

But I'm not the only broken heart

Just ask a woman

And I'm a woman

Just ask a woman who knows

Oh, yeah

Ask a woman, ask a woman

And I'm a woman

Who knows
