It was nice to see you again
I had a lotta fun tonight
Would you like to come in for a minute?
I could fix you some coffee or a nightcap

I know it's late but
But the truth is
I just don't wanna be alone tonight
What I'm really tryin' to say is

I wanna love you
Over and over again
I wanna see what's goin' on
In your head
(Over and over)

Hey, hey, hey, baby
Don't say goodnight
Not when you know
Not when you know
It's time for love

I wanna feel you
I just wanna thrill you, boy
I want to caress you
Ooh, maybe undress you, baby

Hey, hey, hey, hey, hey
Don't say goodnight
Not when you know
Not when you know
It's time for love

Hey, hey, hey, oh, baby
Don't say goodnight
(Don't say goodnight)
Not when you know
Oh, you know
It's time for love

Some people say
That life is for the livin'

So let's just live it, baby, yeah

Most of the people say
That love is for the givin'
(So let me love you, love you, love you, love you)
I just wanna love you, boy, boy

Hey, hey, hey, hey, baby, baby
Don't say goodnight
Not when you know, no, no, no, no, no
It's time for love

Yeah, most of the people say
That love is for the livin'
(So let me love you, love you, love you, love you)
I just wanna love you, boy, ooh, boy

Hey, hey, hey, hey, baby, baby
Don't say goodnight
'Coz I know you know, I know you know
I know you know, it's time for love

Hey, hey, hey
Don't say goodnight
(Don't say it)
(Ooh, baby, ooh, baby)
It's time for love

Don't say goodnight
