(hoo---)

(doo, doo)

(doo, doo, doo)

(doo, doo, doo)

(doo, doo, doo, doo, doo)

(doo, doo)

(doo, doo, doo)

(doo, doo, doo)

(doo, doo, doo, doo, doo)

(heaven is with you and I'm glad I'm with you tonight)

Just a little bit of heaven

(heaven is with you and I'm glad I'm with you tonight)

There's no place I'd rather be

Than here tonight resting close to you

'cause in your arms I feel so strong

I do believe we will love on forever, forever----

Heaven is with you and I'm glad I'm with you tonight

Aww, baby, let me say that heaven must be

It must be with you tonight, yeah

I wanna be just what you see

Now I want to give all of me eternally

Yeah, yeah

And you can bet and count on me

'cause I'm all yours faithfully, forever, forever--

Oh, (heaven) ha, oh, woh, (is with you) oh, woh,

(and I'm glad) oh, woh, (I'm with you tonight) ho, ho,
yeah

I'm sure that you must be an angel

'cause (heaven) yeah, (is with you) yeah

(and I'm glad I'm with you tonight) oh, woh---well

Ooh, wee, baby, baby, baby

For it was your love that really inspired me

I will go wherever your love guides me

And I do believe that wherever we go

Baby, our love can't help but grow

Oh (heaven is with you) woh----

(and I'm glad I'm with you tonight) yeah, yeah

All I can say is

(heaven is with you and I'm glad I'm with you tonight)

Hoo, your love, your love

Is like heaven, is like heaven---

(heaven is with you and I'm glad I'm with you tonight)

Oh, oh, oh oh

You're like heaven

Just a little bit of heaven

(heaven is with you)

Just a little bit of heaven

(and I'm glad I'm with you tonight)
