I fall to pieces
Each time I see you again
I fall to pieces
How can I be just your friend

You want me to act like we've never kissed
You want me to forget, pretend we've never met
And I tried, oh, I tried but I haven't yet
You walk by and I, I fall to pieces

Oh, I fall, I fall to pieces
Each time someone
Someone should speak your name
Oh, oh, I fall to pieces
Oh, the time only adds to the flame

Well, you tell me to find someone else to love
Someone who'll love me too
The way you used to do
Oh, but each time I go out with someone new

Oh, you walk by, oh and I fall to pieces
Well, I tried, I really, really, really tried
Oh, but I can't forget
You walk by and I, I just fall, I fall to pieces

I fall, I just fall to pieces
Every time you walk by, oh
I just hang my head down in pride
And I fall, I fall, I fall, I fall to pieces

I fall, I fall, I fall, I fall, I fall to pieces
Every time you walk by
