English lyrics by albert a. beach

French lyrics and music by charles l. trenet

Goodbye, no use leading with our chins

This is where our story ends

Never lovers, ever friends

Goodbye, let our hearts call it a day

But before you walk away

I sincerely want to say

I wish you bluebirds in the spring

To give your heart a song to sing

And then a kiss, but more than this

I wish you love

And in july a lemonade

To cool you in some leafy glade

I wish you health

But more than wealth

I wish you love

My breaking heart and I agree

That you and I could never be

So with my best

My very best

I set you free

I wish you shelter from the storm

A cozy fire to keep you warm

But most of all when snowflakes fall

I wish you love

But most of all when snowflakes fall

I wish you love

I wish you love

I wish you love, love, love, love, love

I wish you love
