Keep smiling, keep smiling, keep smiling, keep right on smiling

I know, sometimes your whole world seems blue
Seems like the whole weight of the world is resting on you

But remember when you hang your head, it's hard to see the sun

There's a brighter day, yes it is, just ask and I sure will come

But you've got to keep, keep smiling, well, ooh, yeah
Keep smiling, keep on, keep on, keep on, keep on
Keep smiling, ooh, ha, don't you ever stop smiling
Oh, don't you ever stop, no, no, no, oh
When you've got to keep on stepping on

You know that you've got to be strong
And understand the facts of life
You won't get no place until you make some sacrifice
Try to make it a little easy when you're doing it on your own
Once you think you've got everything, the next day it's all gone

But you got to keep, keep smiling, well, well, well, well
Keep smiling, oh I know it's hard, I know it's hard
But you've to keep, keep smiling, oh, don't you ever stop smiling
Yeah, yeah, oh, oh, oh, oh, oh, oh, yeah, ha, ha, ha, ha, ha
Keep smiling, keep a grin on your face, yaul
Keep on stepping now, keep smiling, oh

Keep your head up to the sky, keep smiling
Oh, got to notice on the tip of your eyes, keep smiling
You've got to keep on, keep on, keep on, keep smiling
Yeah, yeah, yeah, yeah, yeah, yeah, keep smiling
Ha, ha, ha, ha, ha, ha, keep smiling, oh, keep on
Don't you ever stop smiling, smile, smile, keep smiling
