(What we're gonna do?, What we're gonna do?)
(Gonna do, what? Gonna do, what?)
(Hey, hey, what we're gonna do, what we're gonna do?
C'mon)
(C'mon, c'mon, c'mon, c'mon, what we're gonna do?)
(Gonna do, gonna do)

There may be trouble ahead
But while there's moonlight
And music and love and romance
Let's face the music and dance

Before the fiddlers have fled
Before they ask us to pay the bill
And while you still have the chance
Let's face the music and dance

Soon, we'll be without the moon
Humming a different tune, and then

There may be teardrops to shed
So while there's moonlight and music and love and
romance
Let's face the music and dance, dance
Let's face the music and dance
(Dance, dance, dance)

There may be trouble ahead
But while there's moonlight
And music and love and romance
Let's face the music and dance

Before the fiddlers have fled
Before they ask us to pay the bill
And while you still have the chance
Let's face the music and dance

Soon, we'll be without the moon
Humming a different tune, and then

There may be teardrops to shed
So while there's moonlight and music and love and

romance
Let's face the music and dance, dance
Let's face the music and dance
(Dance, dance, dance, dance, dance, dance)

Soon, we'll be without the moon
Humming a different tune, and then

There may be teardrops to shed
So while there's moonlight and music and love and
romance
Let's face the music and dance, dance
Let's face the music, let's face the music, let's face the
music and dance
(Dance)
