"Like A Lover"

Like a lover the morning sun
Slowly rises and kisses you awake
Your smile is soft and drowsy as you let it play upon
your face
Oh how I dream I might be like the morning sun to you

Like a lover the river wind
Sighs and ripples it's fingers through your hair
Upon your cheek it lingers, never have I known a
sweeter place
Oh how I dream I might be like the river wind to you

Oh how I envy a cup that knows your lips, let it be me,
my love
And a table that feels your fingertips, let it be me, let
me be your love
Bring an end to the endless days and nights without
you

Like a lover the velvet moon
Shares your pillow and watches while you sleep
It's light arrives on tiptoe gently taking you in its
embrace
Oh how I dream I might be like the velvet moon to you

Como um radio de sol
A brincar com seu rosto

Oh how I envy a cup that knows your lips let it be me,
my love
And a table that feels your fingertips, let it be me, let
me be your love
Bring an end to the endless days and nights without
you

Like a lover the velvet moon
Shares your pillow and watches while you sleep
It's light arrives on tiptoe gently taking you in its
embrace
Oh how I dream I might be like the velvet moon to you

I might be like the velvet moon to you

Como um radio de sol
I might be like the velvet moon to you
A brincar com seu rosto

I might be like the velvet moon to you
Como um radio de sol
I might be like the velvet moon, wanna be like the
velvet moon
I might be like the velvet moon to you
