I love you for sentimental reasons  
I hope you do believe me  
I'll give you my heart

I love you and you alone were meant for me  
Please give your loving heart to me  
And say we'll never part

I think of you every morning  
Dream of you every night  
Darling, I'm never lonely  
Whenever you are in sight

I love you for sentimental reasons  
I hope you do believe me  
I've given you my heart

The evening breeze caressed the trees tenderly  
The trembling trees embraced the breeze tenderly  
Then you and I came wandering by  
And lost in a sigh were we  
The shore was kissed by sea and mist tenderly

I can't forget how two hearts met breathlessly  
Your arms opened wide and closed me inside  
You took my lips, you took my love so tenderly

The falling leaves drift by the window  
The autumn leaves of red and gold  
I see your lips, the summer kisses  
The sun-burned hands I used to hold

Since you went away the days grow long  
And soon I'll hear old winters song  
But I miss you most of all my darling  
When autumn leaves start to fall

Mais la vie spare ceux qui saiment  
Tout doucement sans faire de bruit

But I miss you most of all my darling

When autumn leaves start to fall.
