Even though it's been so long
My love for you keeps going strong
I remember the things that we used to do
A kiss in the rain 'til the sun shine through
I try to deny it but I'm still in love with you

.

CHORUS

I miss you like crazy, I miss you like crazy
Ever since you went away, every hour of every day
I miss you like crazy, I miss you like crazy
No matter what I say or do
There's just no getting over you

.

I can see the love shining in your eyes
And it comes as such a sweet surprise
If seeing's believing it's worth the wait
So hold me and tell me it's not too late
We're so good together, we're starting forever now

.

CHORUS (2)

I miss you like crazy, I miss you like crazy
Ever since you went away, every hour of every day
I miss you like crazy, I miss you baby
A love like ours will never end,
Just touch me and we're there again

.

Just one night
And we'll have that magic feeling like we used to do
Hold on tight
And whatever comes our way we're gonna make it
through

.

If seeing's believing it's worth the wait
So hold me and tell me it's not too late
We're so good together, we're starting forever now

.

CHORUS (3)

And I miss you like crazy, I miss you like crazy
No matter what I say or do
There's just no getting over you
And I miss you, baby, I miss you, baby
All the chance of love you gave me

When a feeling get's this strong
You know the real thing comes along

.
And I miss you I miss you like crazy baby
Only your sweet love can save me
I miss you like crazy
A love like ours will never end
Just touch me and we're there again
Miss you like crazy, I miss you like crazy.
