Take my hand
We'll walk awhile, we'll talk awhile
Feel my love
Always there beside you

Be the one
I know you'll tell me everything
You are the one
I cherish more than anything

I love you more than you'll ever know
I love you more than you'll ever see
More than my heart could ever show
I love you more than you'll ever know

Think of me
And know that I'll believe in you
There'll always be
This precious time together

With every tear
A love so strong
No words could ever say
A love to last forever

I love you more than you'll ever know
I love you more than you'll ever see
More than my heart could ever show
I love you more than you'll ever know

Take my hand
We'll walk awhile, we'll talk awhile
Feel my love
Always there beside you

Be the one
I know you'll tell me everything
You are the one
I cherish more than anything

I love you more than you'll ever know
I love you more than you'll ever see

More than my heart could ever show
I love you more than you'll ever know
