You may think I'm fooling  
For the foolish things I do  
You may wonder how come I love you  
When you get on my nerves like you do

Well baby, you know you bug me  
There ain't no secret 'bout that  
Well come on over here and hug me  
Baby, I'll spill the facts  
Well, honey it ain't your money  
'Cause I got plenty of that

I love you for your Pink Cadillac, crushed velvet seats  
Riding in the back, oozing down the street  
Waving to the girls, peeling out of sight  
Spending all my money on a Saturday night  
Honey, I just wonder what you do there in the back of  
your Pink Cadillac  
Pink Cadillac

Well now way back in the bible  
Temptations always come along  
There's always somebody tempting you  
Into doing something they know is wrong

Well they tempt you man with silver  
And they tempt you sir with gold  
And they tempt you with the pleasures  
That flesh does surely hold  
They say Eve tempted Adam with an apple  
Man I ain't going for that

I know it was her Pink Cadillac, crushed velvet seats  
Riding in the back, oozing down the street  
Waving to the girls, peeling out of sight  
Spending all my money on a Saturday night  
Honey, I just wonder what you're doin' in the back of  
your Pink Cadillac  
Pink Cadillac, yeah hey

Now some folks say it's too big  
And uses too much gas

Some folks say that it's too old  
And that it just goes too fast

Ah but love is bigger than a Honda  
And it's bigger than a Subaru  
Hey man there's only one thing  
And one car that will do  
Anyway we don't have to drive it  
Honey, we can park it out in back

And have a party in your pink Cadillac, crushed velvet  
seats  
Riding in the back, oozing down the street  
Waving to the girls, peeling out of sight  
Spending all my money on a Saturday night  
Honey, I just wonder what you do there in the back of  
your Pink Cadillac  
You know the one I mean, Le Car

Cadillac in the dark, can't do that  
When we park in the back of your Pink Cadillac  
I like what you do when you do what you do in your Pink  
Pretty, pretty, pretty Pink Cadillac  
In the dark, can't do that  
In the back of your Pink Cadillac
