What I'll give you since you've asked
Is all my time together
Take the rugged sunny days
The warm and rocky weather

Take the roads that I have walked along
Looking for tomorrow's time, peace of mind

As my life spills into yours
Changing with the hours
Filling up the world with time
And turning time to flowers

I can show you all the songs
That I never sang to one man before

We have seen a million stones
Lying by the water
You have climbed the hills with me
To the mountain shelter

Taken off the days one by one
Setting them to breathe in the sun

Take the lilies and the lace
From the days of childhood
All the willow winding paths
Leading up and outward

This is what I give, this is what I ask you for
Oh, this is what I give, this is what I ask you for
Nothing more
