Sophisticated lady  
Sophisticated lady

She's a different lady with a different style  
She stands tall and steady like the Eiffel Tower  
She is hip to politics but loves her jazz  
She's got lots of rhythm, she's got lots of class

Everybody knows  
How she got her name, yeah

Oh, ha, she wears knee length dresses with her high  
heel steppers  
She's not no back stabber but she's sure a pleaser  
She talks quiet and gentle, she acts very cool  
She sticks close to her lover, she obey God's rules, woh

Sophisticated lady  
Sophisticated lady, yeah  
Sophisticated lady  
Oh

Sophisticated lady  
That's her name, that's her name  
Sophisticated lady  
Woh, woh

Everybody knows  
How she got her name, yeah yeah  
Yeah, yeah, yeah, yeah, woh  
Oh, oh, oh, oh

She's the kind of person that you'd like to meet  
'Cause she's always smiling and she's always neat  
She can start a fire in the coldest man  
She's a hip slick sister known throughout the land, oh

Sophisticated lady  
That's her name  
Sophisticated lady, yeah  
Oh, well, woo, woo, woo, woo, woo, woo, hoo  
That's her name

Sophisticated lady, lady, lady  
Sophisticated lady, oh  
Sophisticated lady, ah  
Sophisticated lady

Ooh, ooh  
Sophisticated lady  
Sophisticated lady  
Just sit on down  
Sophisticated lady
