We used to be so very happy  
And we used to have so much fun  
And we used to spend our time together  
We were as close as anyone

I used to feel your every feeling  
I was a part of your every dream  
I'm not saying that, "You've thrown me aside"  
But oh that's just the way that it seems

So if I've done anything that I shouldn't have done  
Wanna say, "I'm sorry, darling, I'm so sorry"  
And if I said anything that I shouldn't have said  
I'm sorry, sorry, yeah

Now we're just getting used to a brand new situation  
And I found out that temptation just won't let ya do  
good  
So we must sit down and talk and be for real to each  
other  
'Cause I don't want my love for you to be  
misunderstood

If I've done anything that I shouldn't have done  
I'm sorry, oh baby, I'm so sorry  
If I said anything that I shouldn't have said

I'm sorry, I'm sorry, I'm sorry, oh Lordy, I'm so sorry  
Sorry, sorry, sorry, hey, sorry  
If I've, if I've done anything, done anything I  
That I shouldn't have done, shouldn't have done

I'm sorry, I'm sorry, baby, I'm sorry  
If I said anything, if I, if I said anything I  
That I shouldn't have said, shouldn't have said  
Well I'm so, I'm sorry, sorry, sorry, sorry if I've done  
anything

I'm really, really sorry, baby, that I shouldn't have done  
Ooh baby, I'm, I'm sorry, sorry, sorry, sorry, I'm  
If I said anything, sorry, I'm sorry that I shouldn't have  
said

I'm so sorry, I'm sorry, sorry, really sorry  
I'm so sorry, yeah, sorry, I'm so sorry, sorry
