[Sawyer]

I never believed that there was a rainbow
With a pot of gold at the end
I'm much too smart for fairy tales like that
Yet here I am again
I thought this time, this time we're gonna make it
Why I thought so I really don't know
Maybe something in his eyes just told me so
Something in his eyes...

Tell me lies
And I'll come runnin'
I must have lost my mind!
I could close me eyes
And tell you just exactly what's comin'
Life's gonna turn just a little unkind

Seems like everyone's sailin'
Way out on the sea
And I'm stuck here on the shore
Sun's always shinin'
But it's never on me
Why should I try anymore?

Tell me lies
Tell me lies
And I'll just keep right on comin'
This time I've got to believe in the dream
This time I've got to believe in his dream

*** Cat's don't dance
