Album: Unforgettable: With Love

Composers: Sylvia Dee and Sidney Lippman

They tried to tell us we're too young
Too young to really be in love
They say that loves a word
A word we've only heard
But can't begin to know The meaning of

And yet we're not too young to know
This love will last though years may go

And then some day they may recall
We were not too young at all

instru

And yet we're not too young to know
that This love will last though years may go
And then some day they may recall
We were not too young at all
