I get a thrill, I get a chill when you touch me

A thrill I can't ignore, keeps me coming back for more

Every time you touch me

You know my body is weak for you

Oh yes it is (oh yes it is)

And right now, right now if you touch me, baby

It'll do tricks for you, so come on, baby

(touch me one more time) oh, ooh

(way you did, when you did it last night) oh, baby

Sweet daddy, sweet sugar daddy

(touch me one more time)

Oh, yeah (way you did, when you did it last night)

Oh, oh, yeah (touch me one more time) well

(way you did, when you did it last night)

That's all I want you to do for me, uhm

'cause I know everything's gonna be alright

'cause it always is when you

(touch me, touch me, touch me)

Ooh, uhm, I can feel the sun in my eyes

And I don't ever come alive until you

(touch me, touch me, touch me)

No, no, no, hoo, oh--

You know my heart is forever yours, baby

Oh, yes it is (ooh, yes it is)

It means now, and it will be tomorrow and forevermore,
oh

(touch me one more time) oh

(the way you did, when you did it last night)

Yeah, yeah, yeah, yeah, yeah

Oh, oh (touch me one more time)

I dare, I dare you to touch me, baby

(way you did, when you did it last night)

Oh, oh, oh, oh, oh, oh, oh

(touch me one more time)

Yeah, ooh, yeah, yeah, yeah, yeah

(way you did, when you did it last night)

Ah, ooh, oh -- you know my heart is forever yours,
baby,

And it always is (oh) and it means now

It'll be tomorrow and forevermore

(touch me one more time) oh (way you did) oh, oh

(when you did it last night)

Touch me, touch me, baby, won't you

(touch me one more time) yeah

(way you did) yeah (when you did it last night)

Ooh, ooh, ooh, ooh (touch me one more time)

In the morning (way you did, way you did it last

Night) oh, in the evening time too, yeah
(touch me one more time) oh, ha, oh, ha (way you did)
Ha, ha, oh, oh (way you did it last night)
Keep touching me, baby, baby, yeah
(touch me one more time) oh, oh, oh, oh (way you did)
Sing it sweet daddy (when you did it last night)
Oh, sweet, sweet, daddy, my, my
Hoo, hoo, ah--
Hoo, hoo--, hoo, ah
(get your love in mind) ooh, ooh, ooh
(get your love in mind, sweet baby)
Can't you feel the need in me, baby
(get your love in mind) oh (get your love in mind, sweet baby)
Can't you feel the need (sweet baby)
Can't you feel the need in me, oh, oh, oh
(get your love in mind) feel the need
(get your love in mind, sweet baby)
Oh, baby, baby, yeah (get your love in mind)
Feel the need (get your love in mind, sweet baby)
Oh, in me
