First you say you do
And then you don't
And when you say you will
That's when you won't
You're undecided now
So what are you gonna do?

Now you say you'll play
And then it's no
And when you say you'll stay
That's when you go
You're undecided now
So what are you gonna do?

I've been sittin' on a fence
And it doesn't make much sense
'Cause you leave me in suspense
And you know it

Then you promise to return
When you don't I really burn
Well, I guess I'll never learn
And I show it

If you've got a heart
And if you're kind
Then don't keep us apart
Make up your mind
You're undecided now
So what are you gonna do?

Snu bi dab n du bi dab
N du bi du ba du ba du aye yea

Well now I've been sittin' on a fence
And it doesn't make much sense
'Cause you keep me in suspense
And you know it

Then you promise to return
When you don't I really burn
Well, I guess I'll never learn

And I show it

If you've got a heart
And if you're kind
Then don't keep us apart
Make up your mind
You're undecided now
So what are you gonna do?

Now if you don't love me
I wish you'd say so
I love you so much honey
I've just gotta know
I'm just a fool for you
What are you gonna do?
Oo
