When you're the best of friends
Having so much fun together
You're not even aware, you're such a funny pair
You're the best of friends

Life's a happy game
You could clown around forever
Neither one of you sees, your natural boundaries
Life's one happy game

If only the world wouldn't get in the way
If only people would just let you play
They say you're both being fools
You're breaking all the rules
They can't understand, the magic of your wonderland

Hu-hu-hu

When you're the best of friends
Sharing all that you discover
When that moment has past, will that friendship last?
Who can say? There's a way!
Oh I hope... I hope it never ends
'Cause you're the best of friends
