What a difference a day made
Twenty four little hours
Brought the sun and the flowers
Where there used to be rain

My yesterday was blue dear
Today I'm a part of you dear
My lonely nights are through dear
Since you said you were mine

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss, that thrilling kiss

It's heaven when you
Find romance on your menu
What a difference a day made
And the difference is you

What a difference a day makes
There's a rainbow before me
Skies above can't be stormy
Since that moment of bliss, that thrilling kiss

It's heaven when you
Find romance on your menu
What a difference a day makes
And the difference is you

What a difference a day made
Twenty four little hours
Brought the sun and the flowers
Where there used to be rain

It's heaven when you
Find romance on your menu
What a difference a day makes
And the difference is you [3x]
