Oh, baby, sss, oh, it's so good, hmm, umm
Umm, umm, umm, umm, umm, hmm, get it, baby, get
it

You've been with me through the hardest times
And you've kept my heart, body, soul and mind
together
(You, you, you)
It's been us two against the world
It ain't been easy but we sho' made it together, thanks
to you, you, you
(You, you, you)

All I wanna say is baby, oh my baby
(Baby, baby)
I love you, hoo, hoo
(I love you, hoo, hoo)

Oh, yeah, baby, oh my baby
(Baby, oh my Baby)
I love you, hoo, hoo
(I love you, hoo, hoo)

Hoo, yeah, yeah, when my world had fallen to the
ground
Your love was there always around
And I love you and I love you, hoo, I love you, hoo, hoo

Ho, oh, the world keeps changing in which we live
Sometimes people just don't have the time to give
That very special part of them that keeps our love
together
Oh baby, take my love, I hope you keep this forever

You, God bless you, I love you
(I love you, I love you, I really do)
Oh, hoo, I love you
(Hey, hey and I love, I love you, I love you)

Yes I do, oh, it's you, baby, you, baby, oh
(I really do, hey, hey, and I love, I love you, I love you)
My, my, my, my, my, my, oh, yes

(I really do)
